

AFFIDAVIT OF MARGARET WIENCEK

STATE OF CALIFORNIA)
)
CITY OF LA CRESCENTA) ss:

I, MARGARET WIENCEK, being duly sworn, do hereby state as follows:

1. Between January 1987 and October 1990, I was employed at the Financial News Network (FNN) in Los Angeles, California, as Director of Administration.

2. During this period, Dr. Earl W. Brian was Chief Executive Officer (CEO) and Mr. C. Steven Bolen was Chief Financial Officer (CFO) of FNN. Dr. Brian and Mr. Bolen also served during this same period as CEO and CFO, respectively, of Infotechnology, Inc., and United Press International.

3. During part of my tenure as Director of Administration in 1987, I reported directly to Mr. C. Steven Bolen, and had occasion to become familiar with the names of parties who communicated frequently with Mr. Bolen.

4. Kenneth A. Rosen, David Ravin and Peter Sarasohn were attorneys who, according to my recollection, communicated on a regular basis with Mr. Bolen.

5. FNN employed Shea and Gould as outside counsel during this period. I had occasion to interact directly with Shea and Gould attorneys. One Shea and Gould attorney with whom I interacted on FNN business was William Conti of the Washington, D.C., office of Shea and Gould.

6. In the course of my official duties, I became aware of a file in Mr. C. Steven Bolen's office marked M.I.S. that contained copies of correspondence relating to the PROMIS computer software product. Dominick Laiti, then CEO of Hadron, Inc., a company controlled by Dr. Earl W. Brian through Infotechnology, Inc., was either the author or recipient of the letters in question. It is my understanding that M.I.S. is a common abbreviation for Management Information Systems, and that PROMIS is a management information system for case tracking and workflow management applications.

7. I hereby certify that the facts set forth in this Affidavit are true and correct to the best of my knowledge.

FURTHER AFFIANT SAYETH NOT.
